

2015-2016 Room Party Reimbursement Guidelines

There are two class parties the PTC will provide reimbursements for during the 2015-2016 school year:

- Winter Party
- End of Year Party

For the winter party, all reimbursement requests must be submitted to the Treasurer by January 29th 2016. Any winter party reimbursement requests submitted after that date will not be reimbursed unless they are re-submitted with the end of year party receipts. This will allow for a clear cutoff date for the Treasurer to provide an updated "amount available" for the end of year party. For the end of year party, all requests must be submitted by June 16, 2016, picked up by June 17, 2016 (last day of school) and deposited no later than June 30, 2016.

It is the responsibility of the Room Parent(s) purchasing party items and requesting reimbursement to clarify what the available funds are prior to party planning and making purchases. No reimbursements above the allocated budget for the year will be honored. Original receipts are needed for reimbursements, please attach to your reimbursement request form.

Please email Treasurer@Hiteonptc.org for any questions.

Thank you,

Jen Carlton

Please make sure to provide the Teacher's name for party reimbursement requests.
