President's Message

Happy February Hiteon Families!

Thanks for your attendance at the Internet Safety Meeting and PTC General Meeting. We have published additional internet safety resources and PTC General meeting notes on the PTC Website for those of you who were unable to attend.

Volunteer Spotlight! Our volunteers mean the world to us and this month we want to recognize two individuals who have been such an amazing support to us this year. Heidi Brown and Angeliou Hafer can be seen frequently during the week updating our event boards, helping with Popcorn Friday, teaching Art Lit lessons and are always ready to jump in and lend a hand.

Volunteer Hours: Did you know we receive grant money based on the number of volunteer hours we log through MVP? Your time gives money back to our school so please remember to log your hours. If you have past hours you can still log them as well. You can find instructions on how to log hours through MVP on the PTC website under Hiteon Logistics and Links.

Volunteer Badges: We have moved the location for picking up your completed volunteer badge. These are now stored in the front office at the volunteer check in station. New badge requests will be completed on the second and fourth Wednesday each month and placed in the above-mentioned location upon completion.

In closing, if you have any questions or would like to learn more about open volunteer opportunities we'd be excited to hear from you!

Lost and Found

Hiteon Elementary has a 30 day Lost and Found Policy. The Lost and Found is *completely* emptied once a month. If your student is missing a coat, lunchbox, water bottle or hat, these items can often be found in the Lost and Found. Items may float around the building for a while before they end up in the Lost and Found, so be sure to check back often. Thank you for labeling items with your student's last name so they can easily be returned. Take a moment to stop by and search through the Lost and Found (or remind your student to do so) **before noon on Thursday, February 15th**. That is when ALL unclaimed items will be donated to the Beaverton School District Clothes Closet for district families in need.

Calling all Hiteon families--SAVE THE DATES!

Donuts with Dudes Event

Tuesday, February 27, 7:30 – 8AM

Come to the Hiteon gym and enjoy a light breakfast with your Dude (or Dudette). We will be serving donut holes and muffins, along with fruit and a drink, before school begins. This is a great way to spend time with your child before they head off to class and also meet others in the Hiteon community.

To make this day a success, we need volunteers to help set-up, serve and clean-up. If you are interested in helping with this event, please sign-up using MyVolunteerPage.com. We hope to see you there!

HITEON SCIENCE EXPO

Thursday, March 8, 2018 6:00pm – 8:00pm

That's right! It's time to let those scientific minds fly and design an experiment reflecting your curiosity and interests. You can do an experiment, create an invention, or reverse engineer an existing product – your choice!

Key dates are:

- Science Expo Assemblies are on Friday January 19.
- Entry forms sent home on Friday January 26

- Deadline for registration is Friday Feb 9
- Project boards go home on Friday Feb 16
- Science Expo night is Thursday March 8.

Here are a few guidelines for participating:

1. Pick a project idea and sign up, either individually or with Hiteon friends/siblings - up to four students may work together. **Only one entry form is needed per project. The parent signing the form must ensure that all parents are aware and in agreement.** (Students should only officially participate in 1 project registered for the Expo).
2. You may work with your family to do your project, but remember it should be your work and your words explaining it!
3. Review safety guidelines below. Bring your completed project board to school anytime between 6:00pm and 6:30pm on the night of the Expo. **Project reviewing will begin at 6:30** starting with projects done by kindergarteners and progressing by grade through fifth graders. Once your project is reviewed you can pick up your participation prize! This is not a competition, so relax, have fun, and enjoy!
4. Additional tips for parents and students, including online resources for project ideas can be found on the Hiteon PTC Website at: <http://hiteonptc.org/our-enrichment-programs/science-fair/>
5. Please contact karlmeyer@comcast.net with any questions.

New option for Hiteon Apparel

There is now a new way to add to your Hiteon spirit gear! Head over to Big Frog Custom T-shirts in the Murray Scholls Town Center. Anyone who comes in and mentions Hiteon PTC can purchase a standard T-shirt with the Hiteon logo for \$12.39 or a standard long sleeve T-shirt for \$16.39. You can also talk with them about putting the Hiteon logo on other things like sweatshirts, hats, etc. Big Frog is located at 14795 SW Murray Scholls Drive, Suite 107 (near Chipotle).

Attention 5th Grade Parents

Facebook

Did you know that there is a Facebook group just for Hiteon 5th Grade? It's a busy year and it's a great place to keep up to date. It is a closed group so you are welcome to post yearbook pictures there as well. Go here to join today. <https://www.facebook.com/groups/1015341785285957/>

Yearbook

The deadline for submitting baby pictures for the Hiteon 5th Grade yearbook has passed but we still have quite a few pictures that need to be collected. We don't want to leave anyone out, so if you would like to have your child included, please send pictures to Hiteonyearbook2018@gmail.com as soon as possible. We are also still accepting pictures from all grades/school events. We will try to fit as many great memories in as possible, so please send us anything you've got! If possible please let us know which grade your child was in when the picture was taken so that we can sort things more easily on our end. We are starting to put the book together, so the sooner you get your pictures in, the more likely they will be to be included. If you have any questions, please contact 5th Grade Yearbook Coordinators Kristin Glover and Galina Voloshinov.
