Hiteon PTC Newsletter

May 2017

## President's Message

Staff Appreciation Week is always a great time to show the Hiteon staff how we are so thankful for all they do for our kids each day. Thank you for showering them with flowers, treats, and notes to show them how lucky we are to have them in our community.

In June, we will vote the remainder of our Board into the Hiteon PTC for the 2017-18 school year. If you are interested in being on the board, please contact [president@hiteonptc.org](mailto:president@hiteonptc.org). We will also vote on the budget for next school year. We look forward to seeing you there.

### 3D Printer at Hiteon:

Hiteon has a 3D printer and Erica Ediger, our facilitator of this technology, is officially "graduating" from Hiteon. We would like to send out a request to see if anyone has experience with 3D printing, or if you would like to learn about this, and would like to work with the printer with our Hiteon community next year. If you have questions, or are interested, please contact [president@hiteonptc.org](mailto:president@hiteonptc.org).

There are many volunteer opportunities arising as the end of the year fast approaches. We look forward to seeing you here before we head off into summer.

Michelle Hill and Amy Johnson  
PTC Co-Presidents

## LOST and FOUND

Are you wondering where your child's sweater or lunchbox has gone? One great place to look is the Hiteon Lost and Found! Please take a moment to check the Lost and Found for items that belong to your child. The Lost and Found is located in the West Hall 4<sup>th</sup>/5<sup>th</sup> grade wing of the school near the doors that go out to the playground.

If you are having a hard time locating a lost item, please be sure to check back often. Items may take up to a week or more to make their way into the Lost and Found, so it is definitely worth coming back for another look. The Lost and Found will be *completely* emptied this month at noon on **Thursday, May 18<sup>th</sup>**.

## Family Art Night

**Wednesday May 24, 6pm to 8pm**

Bring the family for an evening of fun. Art night is a chance to participate with your family in fun activities.

This year we will offer: Button Making, Pipe Cleaner Design, Finger Print Bookmarks, African Crayon Art, Emoji Magnets, A construction Paper Strip Art, and Rubber Band Banjos!

If you are interested in volunteering we will have sign ups on myvolunteerpage soon.

## Passport Club

Passport Club is wrapping up another great year! We have one more Check Day, and then it will be time to collect the books and hand out prizes. Thank you, parents, for helping your students learn more about where they are in the world. Here is a picture of their mini country reports. It was amazing reading about where they would go and what they would see when they got there.

We are still looking for a Passport Club Chairperson or two for next year. Both Galina and I will have 5th graders and want to be able to come alongside the new Chairperson/people before we leave. If you have any questions about what chairing Passport Club entails, please do not hesitate to find me in the halls or email [rmstrong@gmail.com](mailto:rmstrong@gmail.com). (With the exception of the beginning and end of the year, the time commitment is only about 10 hours a month.)
