Please join me in welcoming Meghan Warren to Hiteon!

Meghan Warren, will take the helm at Hiteon Elementary. She replaces Ginny Hansmann who will move to the district office as the Elementary Administrator for Curriculum, Instruction and Assessment. Currently, Warren is an assistant principal at [Beaver Acres Elementary](#). Meghan has also been a student supervisor, literacy and math support teacher and third and fourth grade teacher.

We are so thrilled she will be joining the Hiteon family! Welcome Meghan!

Staff Appreciation Week

Next week we are celebrating our entire staff here at Hiteon, both classified and certified. I am amazed each and every day of the high quality staff at Hiteon. Student achievement is at the forefront of what we do each and every day. Our staff gives consistently 110% to our families and students. When I am in classrooms, hallways, and the cafeteria I know that our staff is giving there all to ensure that our students are safe, respectful, and responsible. They have always gone over and beyond the call of duty. Please take the time to thank your teachers and support staff this week for all they do to make our lives brighter. I am honored and privileged to work with such dedicated individuals.
