Principal's Message:

Summer Greetings Hiteon Community!

The halls of Hiteon have been quiet but the Main Office has remained busy gearing up for the 2015-2016 school year. A few *Summer Highlights* are listed below. Enjoy the remainder of summer; we look forward to reuniting in September.

With warm regards,
Meghan Warren

A few highlights...

- Monica Arbow, Hiteon's new Assistant Principal officially joined our team on July 1st. She is settling in and slowly meeting the greater Hiteon community.
- We've worked to build a strong instructional team - news of new hires and teaching teams follow!
- We're planning a Hiteon Community Clean-Up Event on August 22nd and invite you to partner with us in weeding our front and back school yard.
- Our newly appointed PTC Co-Presidents are hard at work. Thank you Amy Johnson, Courtney Covington, and the greater PTC Board for your partnership and collaboration. We look forward to the possibilities of the year ahead.

A few highlights... (continued)

- A cohort of staff embarked upon a Leadership Retreat to begin mapping and planning the 2015-2016 school year!
- Our Main Office Team hosted a "New to Hiteon Teacher Orientation" on July 24th.
- After extensive collaboration with our District Special Education Department, Hiteon is making adjustments to the structure of our Specialized Program Classes at Hiteon. One of the adjustments will be the location of our Behavior Learning Center Classrooms. Mrs. Stevens (Langen) and Ms. McCarley's Classrooms have relocated to the 4th and 5th Grade wing of the school building. Additional adjustments to our school map will result; we're excited these changes will further support student success!

Future highlights...

- Specialized Program Information
- Specials Schedule
- The Primary Years Programme
- Arrival & Dismissal Procedures
- Areas of Focus for 2015-2016

Hiteon's Summer Hours

We continue to have office hours every Wednesday during the summer. If you have any school related needs please visit us between the hours of 8am-12pm.

Staffing Updates

Congratulations **Courtney Brooks**! Courtney has been named a New Teacher Mentor and will be working for Beaverton's Teaching and Learning Department next school year. We'll miss her at Hiteon but look forward to her impact on first year teachers throughout Beaverton.

Congratulations **Traci Chelf**! Traci will be Hiteon's Primary Years Programme Coordinator & Intervention Teacher next school year. We look forward to her global influence at Hiteon. She will be facilitating our growth in the Primary Years Programme, meeting daily with teaching teams, and infusing professional development into Hiteon in both PYP and Literacy!

Congratulations **Julie Doran**! Julie Doran has accepted an IA position at Nancy Ryles for next school year. Julie, your warmth and "roll up your sleeves" approach to working with students will be greatly missed. We're excited to hear about your future endeavor and hope you'll remain a close Hiteon family member. Congratulations on your new position.

Sivhong (Hong) Hanson - Grade 1

Hong joins our first grade team with a wealth of experience. Most recently Hong has worked as a teacher at Victory Academy where she worked intensively to support student growth and development. She has taught a 1/2 blend and has been a Literacy Coach to both staff and students in the Salem-Kaiser School District. Hong's experience, professionalism, warmth, and easygoing style make her an incredible Hiteon Team Member. Furthermore, she has first-hand experience with Chinese culture and language and looks forward to helping grow Hiteon's global citizens. Welcome Hong! We're thrilled to have you join the family.

Kaitlin Hodgkinson - Grade 3

Kaitlin joins us for her first official teaching position after having been a long-term substitute in San Diego and frequent sub at Hiteon. Kaitlin brings poise, a knack for student management, and charisma to our school community. Welcome to the team Kaitlin!

Leslie Logan - Grade 3

Leslie has been teaching in West-Linn Wilsonville. She has a wealth of experience and most recently taught a 2/3 blend. Leslie's roots began in Beaverton as a student teacher at William Walker. She's well known for her work ethic, passion for students, and ability to develop a strong classroom climate. Our favorite quote from her interview was a line about "balancing the buzz of student collaboration with beautiful silence" in the classroom. Welcome to the team Leslie!

Susannah Maynard - Grade 4

Susannah joins Hiteon from Baltimore, Maryland (although Oregon is home!). Most recently she taught 3rd-5th Grade and 7/8 Science for a Charter School in Baltimore. The Charter School specialized in Expeditionary Learning. Susannah's former administrator in Baltimore refers to her as a "gem." The Hiteon Community will feel the same way. Her enthusiasm, belief in all students, all around good nature, and instructional expertise will impact student growth at Hiteon. We're happy to have you join us Susannah!

Staffing Updates Continued

Shana Goodwin-Youssef is returning to our Behavior Learning Center Classroom. She was a temporary employee last year and we're thrilled to have her back this year at Hiteon. Her calming demeanor, love of students, and "grace under pressure" - thanks to her paramedic roots make her an asset to our Hiteon Team. Welcome back Shana!

Mary Beth Sadlouskos will be joining one of our Behavior Learning Center Classrooms as well. Her energy, charisma, and desire to infiltrate & influence our greater Hiteon community sealed the deal. Her warmth, humor, and energy will be felt throughout the school. Welcome Mary Beth!

Claire Parker will also be joining our Behavior Learning Center Classrooms. She will be with us half days. Claire's instructional expertise, love for learning, and Australian roots will impact and charm all our students at Hiteon. We hope to utilize her instructional expertise throughout the day. Welcome to Hiteon Claire.
