Hiteon Mission Statement

Hiteon is a community dedicated to providing an educational experience in which everyone can reach their full potential and make positive societal contributions. We strive to enhance personal, community, and global identities while developing life-long learners.

Principal's Message:

Dear Hiteon Families,

It's hard to believe that June is here! We are in the final stretch, and what a journey to celebrate! Your kids have grown academically, socially, emotionally, and physically this year, and it's been such an honor to be a part of that.

We have been working through staffing and team formation and we are ready to announce our latest line up and staff changes. We will continue to keep you updated of any further changes over the summer.

- 20th - 22nd End of Year Parties
- 22nd LAST DAY OF SCHOOL
- 22nd Report Cards Go Home
- 30th Last day office open

Sincerely,
Monica Arbow and Meghan Warren

Early Release/Teacher Collaboration

Beginning in the 2017-2018 school year, the District will implement a 90-minute early release on Wednesday afternoons to allow teachers time to collaborate and participate in professional development opportunities. Starting September 13, 2017, our school will release at **1:05** p.m. every Wednesday.

The [Early Release/Teacher Collaboration webpage](#) includes an FAQ and an animated video in both English and Spanish. I encourage you to visit the webpage to learn more.

YEAR END MEDICATION PICK UP

Please be prepared to pick up any medications that may be at school for your students. All medication must be picked up by the last day of school, **June 22nd**.

District policy is that all medications (prescription and over the counter) will be discarded and disposed of at the end of each school year. The school is not responsible for any medications that are discarded.

Medications include but not limited to inhalers, epi-pens, prescription pills, over the counter cold syrups/ pills, headache medication, cough drops/ syrups, etc...

We are aware that some of these items are expensive and want to assure we give parents ample notice and time to pick up before they are discarded.

Hiteon High Flyers and Home Plate Youth Services Fundraiser June 5th-9th

Our High Flyers have chosen Home Plate Youth Services as their community service project. It provides drop-in centers and street outreach to homeless individuals between the ages of 12-24 in Washington County. They indicate that Beaverton School District has the highest number of homeless youth in all of Oregon. Home Plate goes into the community to find and connect with homeless young people. They like to provide youth with a number of items that they need including hygiene items.

High Flyers will lead our school-wide campaign to collect hygiene items for Home Plate. Several years ago, Hiteon students collected over 1,200 hygiene items. Home Plate was thrilled as this saved them a great deal of money! Let's see if we can match or surpass that this year.

NOW ENROLLING KINDERGARTEN FOR 2017-2018 SCHOOL YEAR

If you, your neighbors, family or friends have kinder ready children in our attendance area, come by Hiteon's Main Office to pick up an enrollment packet.

Language & Culture

Silkworms, cocoons and moths... oh my! At the end of last year, students studied silkworms by watching the life cycle in class and used the insects to extend into other grade level areas of emphasis (e.g., insect body parts, silk making process and global impact of the silk road). In June, when I packed up to go home, my son was fascinated by the silkworms and continued to raise them throughout the summer. During this time, the silkworms were able to complete 3-4 life-cycles. In September, the moths continued to lay eggs, but the eggs did not hatch. I quickly bagged up the eggs and before I could dispose of them, my son informed me that his Chinese teacher had told him he had to store our eggs in our fridge over the winter. Hummm...the compromise was to put them in a storage closet. To my surprise, they started to hatch a few months ago. All the students checked in on the progress of our silkworms, but primary students spent the last portion of the year immersed in silkworm inquiry.

Building community! Fourth and fifth graders wrapped up our, How We Express Ourselves unit, working on a language skit. The students worked in small groups to create skits featuring some Mandarin vocabulary and phrases. Students truly had to use their cooperation, open-mindedness and communication skills to accomplish this portion of the project. Risk-taking skills then followed as each group performed their skit to their Buddy class. At Hiteon, one upper and one lower grade class join together to form Buddy classes. Throughout the year, the classes meet and work together on projects and activities. The story lines, characters and themes were so very creative... from extra silly to teaching PYP and reinforcing behavior! A few titles: Go Big or Go Home, The Penguin Who Wants a Suit, Game Show, The Big Bad Pig and The Three Wolves and Bullies and The Playground.

Saving the best for last! We will have one last treat this year. Students will have the opportunity to eat a small snack in class (June 9- June 19). The snack contains, milk, eggs and wheat and is processed in a facility that processes peanuts, soy and tree nuts. PLEASE contact me directly at tina_strub@beaverton.k12.or.us if you have any questions or concerns.

Have a wonderful summer. I am already brainstorming ideas for the fall! I look forward to seeing the students' smiling faces in September. To all the students moving on to middle school or new adventures, I wish them all the best. I welcome them to come back to say, "ni hao" to our Hiteon community!

Xie xie,
Strub lao shi

Hiteon Library News

It is that time of the year for us to turn in ALL our library books, and pay for any lost/damaged books. I have been sending out weekly emails to all families that have children with overdue books. Please help find them and turn them in. We do not collect late fees, our goal is to get the books back. If you can not find them, please send in payment for them with your child to school. You can send cash or check. Please put the child's name, your name, and the teacher on the outside of an envelope. Have the kids turn it into Mrs. Sadlouskos in the library.

If you have any questions about your child's account, please email me or stop in afterschool: mary_sadlouskos@beaverton.k12.or.us

A student asked me, "Mrs. Sadlouskos, just what will we do for 2 weeks without checking out books?" I replied, "Why, I think we will go on a campout and bring along lots of great campfire stories!"

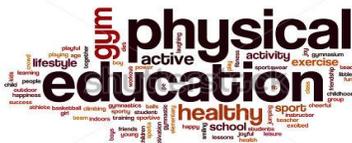

Thank you for a wonderful first year as your library assistant,
Mary Beth Sadlouskos

Summer Meal Program

The Summer Meal Program is a federally funded nutrition program that offers breakfast and lunch at no cost to children and youth aged 1–18 years. Adults may eat for \$3.50.

There are a number of locations in Beaverton where your student/s may have a meal this summer. The nearest one to Hiteon is at Greenway Elementary School. Some sites serve both breakfast and lunch. Lunches will be served from Monday-Friday, June 26th through August 18th. Copy this link into your browser for more information including a list of schools and other sites (click on "Summer Meal Site List").

News from the Gym

We can't believe it's Field Day time! We are so excited about this exciting day.

Field Day will be June 16, 2017. Please look for an email from PTC about volunteers. We will need your help making this fun day happen. Thank you!

We hope that you have an active and fun summer ☺

Mrs. Hamilton & Mrs. Hansmann

Field Day is Friday, June 16th

We will be offering a modified menu on Field Day.

We are planning a picnic lunch outside. Students buying lunch will have choices of hamburger, cheeseburger or peanut butter jelly sandwiches.

Mrs. Arbow sat down with our future principal of the day, Cloie, to do some planning for her big day. She has decided on implementing a few things on Tuesday, June 6th, one of them being a student dress up day. Please encourage your student(s) to wear stripes this Tuesday!

HITEON AFTER SCHOOL ACTIVITIES & COMMUNITY FLIERS

We will begin to add information in this section of our newsletter for the various After-School activities that only happen on our Hiteon campus.

"Join Play.Fit.Fun Tuesday after school and get your kids moving! It's like field day crashed into P.E. and kids love it."

Champions Before and After School, break camps, no school days, and Summer Camp:
www.discoverchampions.com

Free Southridge Girls Basketball Clinic

Who: Any girls grade 4th-5th Grades

What: Free clinic work on your basketball skills and a chance to meet some State Championship players

When: Thursday June 5th 2:45-3:30

Where: At your school in the gym

Why: This is a great opportunity to have fun and learn some basketball. It will also be a time to learn about Southridge youth basketball opportunities!

For more information, email
Michael_bergmann@beaverton.k12.or.us

The link for other district wide activities can be found on the district website. Copy this link in your browser [Beaverton School District's Approved Fliers Page](#). A complete list of all the fliers approved by the district are listed by month approved, activity and the school.

If you are interested in having a flier reviewed for approval you will find the review process on this same link. Once fliers are approved, you are welcome to bring copies for the Community Shelf located in Hiteon's Main Office. If your activity will take place on Hiteon's campus, email the flier to Martha_spinks@beaverton.k12.or.us the first or third Wednesday for insertion in our newsletter.
