

INTERNET SAFETY NIGHT

Please join us Wednesday, May 14th 6:30pm-8:00pm in the school library for a parent information night. Officers from the Beaverton Police Department will be there to discuss what our children are doing online and how to teach them to be smart, safe, and respectful digital citizens. You'll learn about:

- The importance of learning about the sites and applications your child uses
- How kids are using mobile devices like smartphones, tablets, and e-readers
- Social networking sites and how to help your child use them wisely
- What to do if your child is the victim of online bullying
- Objectionable content, how to block it, and what to do if your child views it.
