To help McMenamins better serve you and make your dining experience more enjoyable, we are asking families to consider the following schedule:

5-6 p.m. K-1<sup>st</sup> grade

6-7 p.m. 2<sup>nd</sup>-3<sup>rd</sup> grade

7-8 p.m. 4<sup>th</sup>-5<sup>th</sup> grade

We understand that your personal commitments that night may not permit you to dine at the assigned time, and that's okay! Families with children in different age categories can choose the time slot that works best for their schedule.
