The fine print for parents:

Drawing prizes are subject to change, though the number of raffle prizes awarded will remain the same. Drawing entries will be selected randomly from all eligible entries received for that prize level, starting with the Astounding Prizes. Prizes must be accepted as is, are non-transferable, have no cash value, and may not be substituted, returned or refunded, with the exception of Astounding Prizes. By accepting the prize, the winner agrees to hold Hiteon Elementary School and the Hiteon PTC, their board members and coordinators, harmless against any and all claims and liability arising out of use of the prize.
