

Order your
school supplies by
20th June!

<http://www.shopttkits.com/> account no. 48668

SCHOOL SUPPLIES FOR NEXT YEAR

1. This is an ONLINE ONLY ordering program. All orders need to be placed through the website www.shopttkits.com and school account number 48668
2. This is not a fundraiser – we received a 10% discount by signing up early and passed this discount on to the parents. We are offering it as a convenience and it is not required to purchase this kit.
3. The kits will be delivered to the school and available in your child's classroom the first day of school.
4. The office will be sending out a school supply list before the end of the school year to those who like to purchase their own supplies.
