

## Home Plate Drive

Hiteon High Flyers have come up with a community service project to help the organization, Home Plate. This organization serves and provides resources for homeless individuals, ages 12-24, in Washington County. They have a drop-in center that helps people with housing and job needs, and serves dinner. They go out into the community to find and meet homeless youth. We have organized a hygiene drive for Home Plate to collect items they provide to the youth.

Items Needed: Full size shampoo

Full size body wash

Deodorant

Toothbrushes

Full size toothpaste

Dental floss

Sunscreen

Dates for the drive: May 27th through June 3rd

Be sure to bring in unused hygiene products to reach our goal of 1,000 items! If we make our goal, an ice cream cart will come to Hiteon with a treat for everyone!

We can do it!!
