

PASSPORT CLUB

Due to the school late start we missed the December passport map check. For those kids that did study their December maps and want to get credit, they can have a parent check them at home, indicate the level they completed and bring this note with them on the next check day (January 23) to get credit/stamps for December. This is optional; students can just skip December if they chose.

Student Name _____

Student Grade/Teacher _____

Circle level(s) completed:
