

# Just Say "YES"

Volunteers play a huge role supporting our school. All it takes is completing the district background check; getting an ID badge from one of our volunteer coordinators, and using help counter and/or contacting the volunteer coordinators or committee chairs to find out the "who/what/where/when". There is truly something for everyone no matter what your interests or schedule!

Refer to the website [hiteonptc.org](http://hiteonptc.org) for additional details and contact information. You will find links to the background check and help counter there.

**Volunteer Orientation is September 15<sup>th</sup> - there are two sessions 9AM or 6PM.**

Remember the background check is **mandatory** to be in the building, even if you are just planning on attending your child's classroom party. Put a check next to the activities that you are interested in volunteering for and once your background check has gone through all your information will be entered into the computer. **Please return this to your child's teacher.**
