Discussion Topics

1. Principal's Report
 - a. Teachers and staff are so happy to be with the students again.
 - b. Discussion on planning for next school year. The projected enrollment is 576 students for the 2021-2022 school year. Typical enrollment is 630 students. Due to lower numbers, there will be some staffing changes next year.
 - c. Discussion on state testing. BSD sent out an email regarding state testing. BSD's waiver was denied by the federal government. Students still have the option to opt out. BSD is trying to make it universal when testing will take place so they can figure out transportation for families that qualify. Testing will take place on Wednesdays. Hiteon will send out their version of the BSD email. Students need to let Hiteon know whether you are opting out or which test you are taking.
 - d. Hiteon is getting a new roof starting June 22. The playground will be closed during this time due to safety concerns.
 - e. Huge thank you to the PTC for the Fun Run shirts for the staff. They were a big hit and went fast. Staff and students will wear their shirts on April 30 during the virtual school assembly.
2. Budget Update
 - a. For this school year, the PTC did not budget for bingo night due to so many unknowns with regards to the pandemic and in-person social events being cancelled. PTC spent \$270 for bingo night and we are at a deficit for that.
 - b. Discussion on change of Fun Run sponsored expenses line item name. Currently, Uberthon is listed as the expense line. This will be changed to "Vendor." Fun Run will be tracking expenses with Pledgestar.
 - c. PTC now has a Paypal account that can be used for online fundraisers and direct donations.
3. Vote - New Board Members
 - a. Vote on Stradivari Sibulboro joining the board as VP-2 Events co-chair
 - i. **Decision: Motion to vote in Stradivari Sibulboro as PTC VP-2 co-chair Community Events for the 2020-2021 and 2021-2022 school year, seconded, approved unanimously.**

Next General Meeting: Wednesday, May 19th, 7:00 P.M.
